Dear Parents/Carers

We recognise the importance of helping all students to set realistic and achievable goals for their future. We are offering all Year 12 students the opportunity to purchase a copy of Apply 2016 published by PurePotential. This is a guide for A Level students which provides up to date information on future career choices along with details on university and financial assistance. The normal retail price is £7.00, but we are able to offer this guide at a special price of £4.

Typical information provided in the 2016 edition is as follows:

- Choosing your course and university
- 30 pages on making an excellent UCAS Application with a 13 page personal statement tutorial
- New student finance, including information for Welsh, Northern Irish and Scottish students
- A 30-page special on school leaver programmes and apprenticeships
- How to excel at interview
- UCAS Extra & Clearing
- How to plan a gap year
- Writing your CV and covering Letter
- Finding a career that is right for you

This publication will be an invaluable resource for your son/daughter and it will help them with the UCAS process or non-university progression routes such as apprenticeships. We will be visiting the UCAS HE Convention in June and preparing post sixth form progression with a Futures day in June. Whether your son/daughter is thinking of university or other progression routes, we highly recommend purchase of a copy of this very useful guide.

Please return the reply slip below by Monday 21 March 2016 with payment of £4 to ensure delivery on return from the Easter break. Payment can be made via ParentPay, alternatively if you do not have a parent pay account please pay by cash/cheque made payable to **WG6**.

All payments must be made via the Sixth Form Office at the WGSB site, please do not hand in payments at WGSB.

The books will be ordered once payments have been received. We only intend to order 150 copies due to delivery costs so it will be on a first come first served basis. If you fail to meet the deadline for payment you will need to order the booklet yourself at the retail price of £7.

Yours faithfully,

Mr C Sexton
Assistant Head of WG6
