Sixth Form Careers Entitlement

Year 12 Careers Entitlement

Students are reminded of different options including; higher education, jobs, gap years, apprenticeships. Students are encouraged to attend university open days, mock interviews, careers interviews and meet potential employers to discuss future options.

Students are offered a personal guidance meeting with a qualified adviser.

Students are given specific help with preparing UCAS/applying for apprenticeships. And personal statement writing.

Sessions on understanding school leaver and graduate job markets and how to look and apply for jobs.

Students should start to understand how the world of work is changing and how it might affect individuals.

Students learn how to manage a career in terms of progression, budgeting and planning for the future.

Students have access to independent and impartial advisers via drop-in sessions. They are also encouraged to use the careers resources that are available and are informed where to find out more about specific courses/careers
