

Destinations at WG6

At WG6, we are incredibly proud of our students and their onward destinations once they depart us at the end of Year 13. Students are assisted in their choices by expert advice from our in-house career advisers, and a structured next steps programme that ensures that they make the correct choices for them, whether that be university, degree apprenticeship or employment.

A selection of our student destinations from 2024 are below

Amazon	<i>Sales Account Manager Degree Apprenticeship</i>	University of Cambridge	<i>History</i>

		University of York	<i>PPE (BA)</i>
		University of York	<i>English and politics (BA)</i>
		Union College, Kentucky	<i>Economics and Finance (BSc)</i>

We are also incredibly proud of our outcomes from students. As well as leaving as caring, responsible, and passionate individuals, 21% of all grades at A-Level are A*/A and 52% are A*/A/B. As well, it was fantastic to see that both internal and external students, and male and female students achieved comparably.
